NEBRASKA CHRISTIAN HIGH SCHOOL

Central City, Nebraska

*“Let your light so shine
before men, that they may
see your good works, and
glorify your Father which
is in Heaven.”*

Matthew 5:16

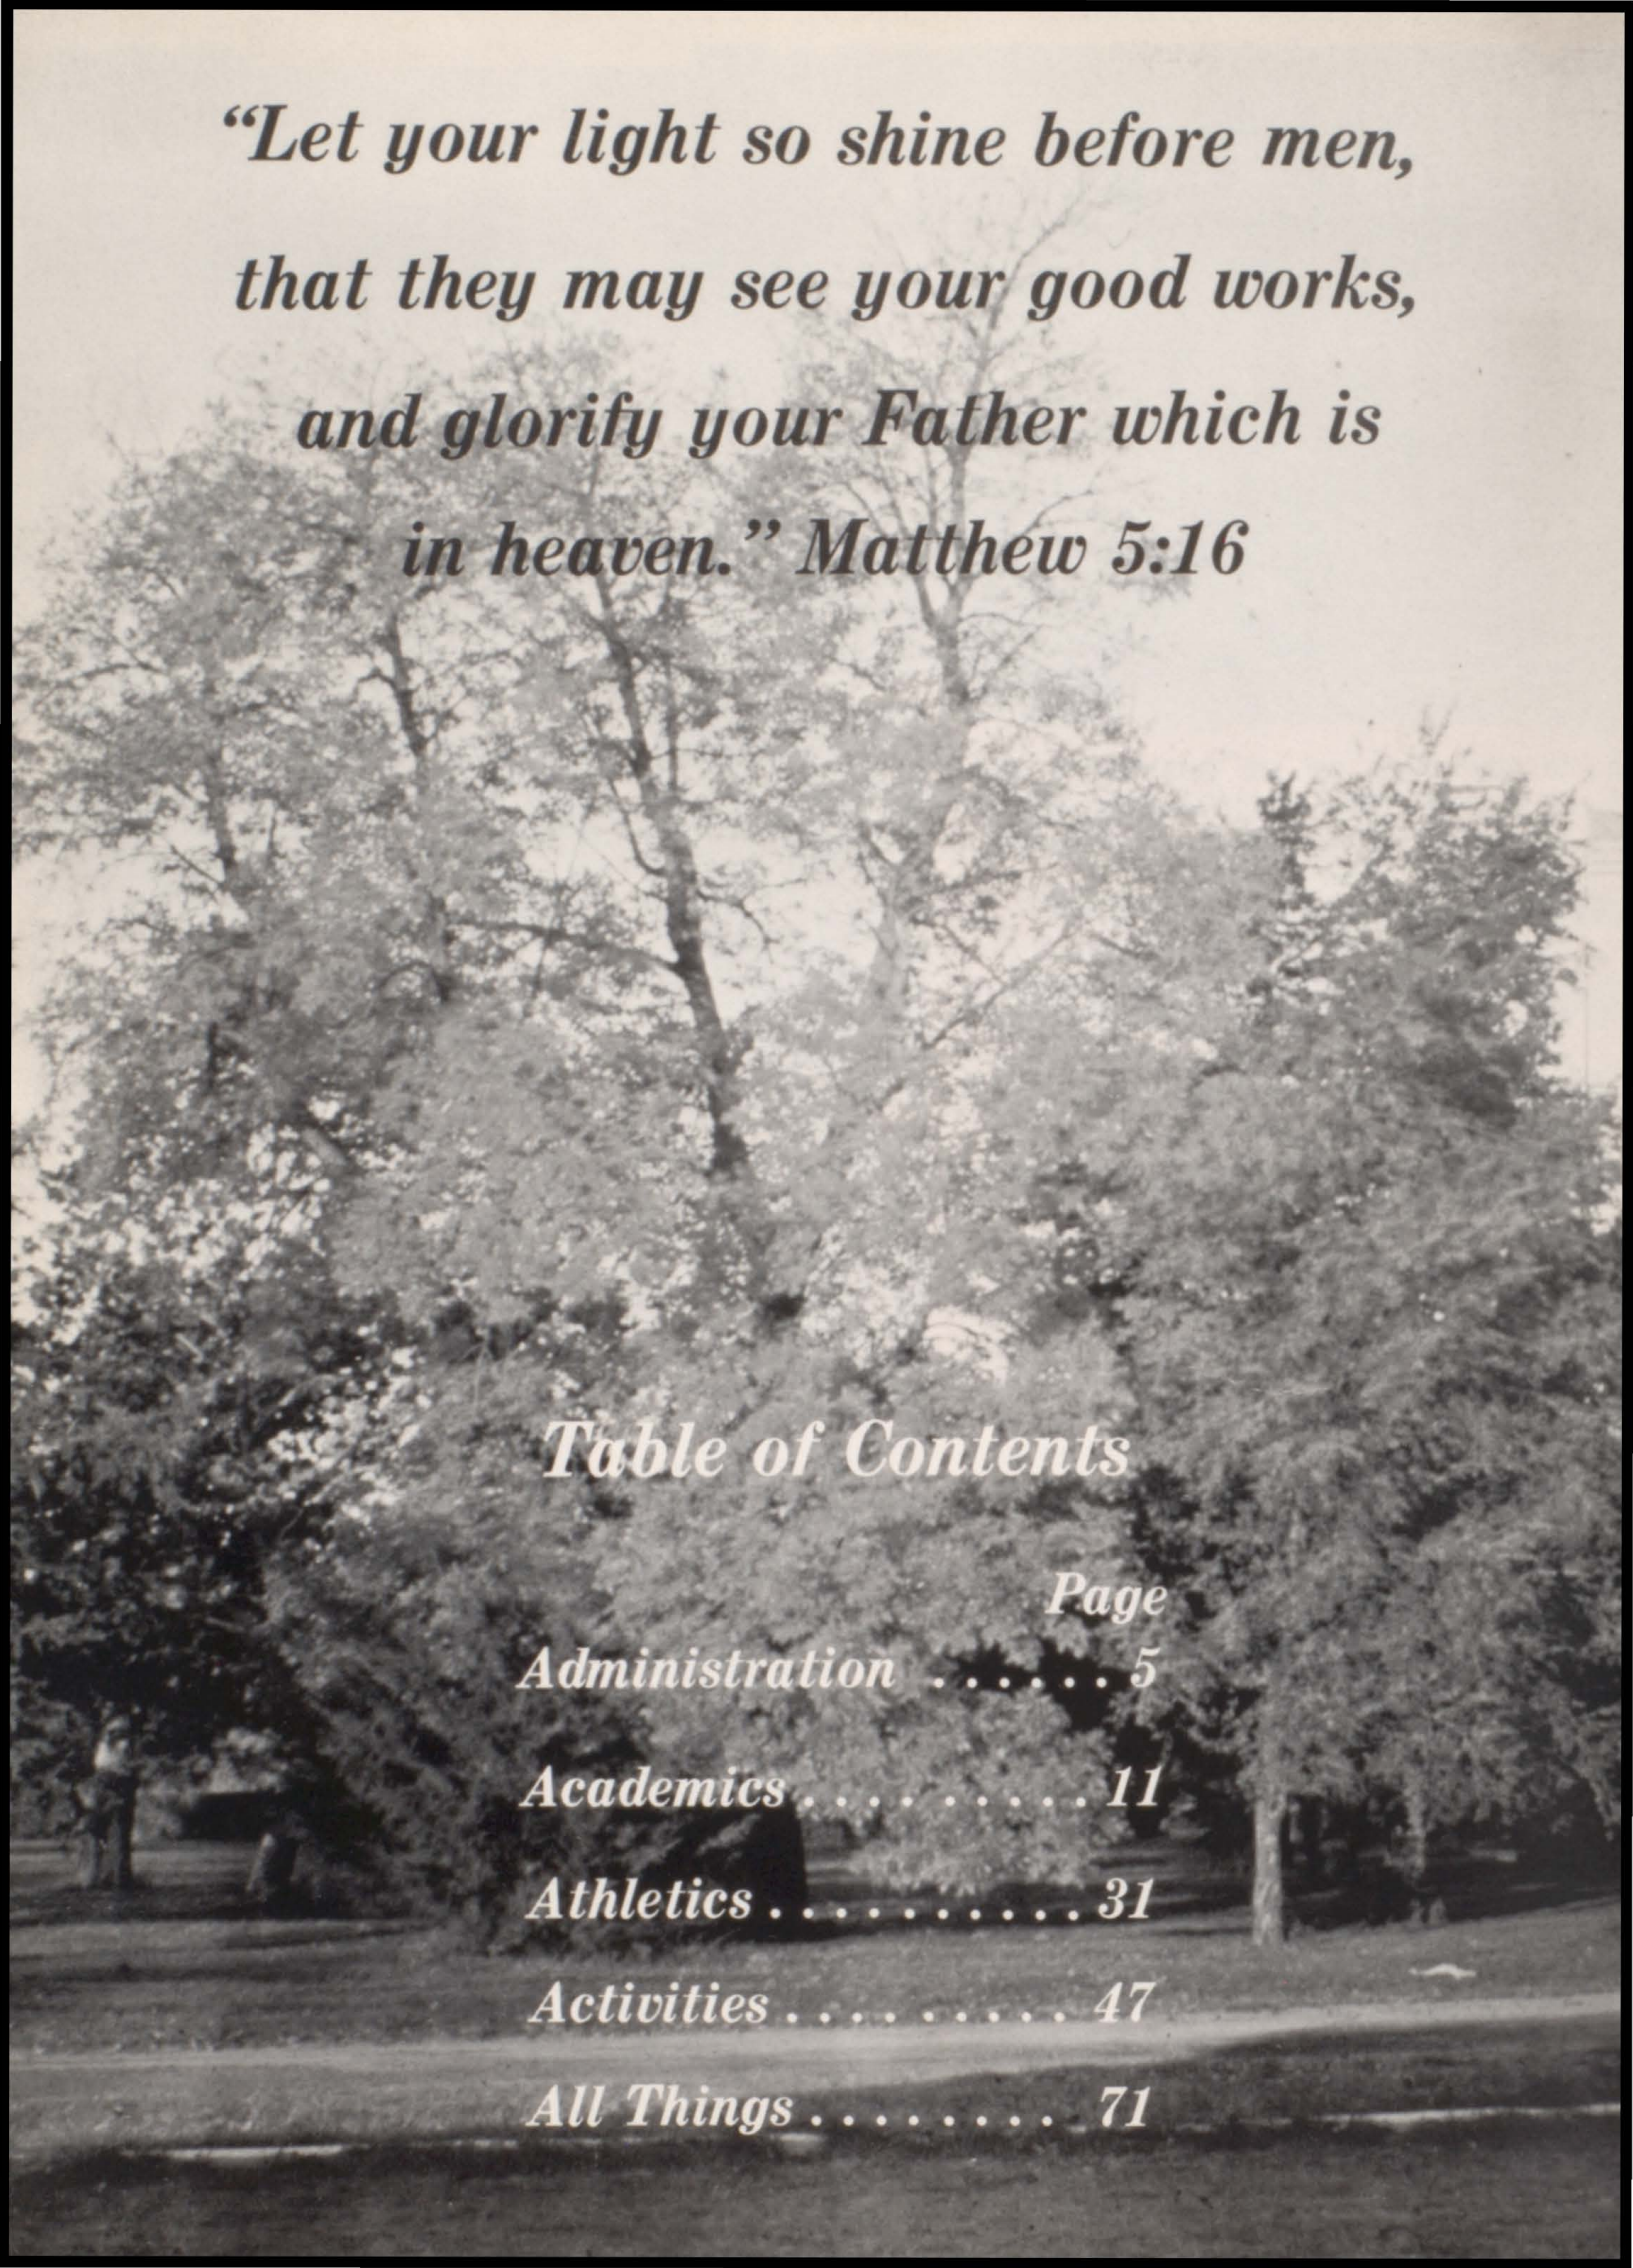

In this verse, we are commanded by Christ to be living examples of the saving grace of our Father; in all our thoughts, words, and deeds.

Many people don't know Christ as Lord and Master of their lives. Others do know Him, but continually need His reassurance. As born-again believers, we should count it a privilege and a joy to glorify God by allowing Him to have complete control of us; shining through every facet of our lives.

The 1974 Reflector staff has tried to capture and record moments in which God has been glorified through personnel, students, and supporters of Nebraska Christian High School. It is our wish, that as you peruse the following pages, you will have a burning desire to let God's light glow in your own life.

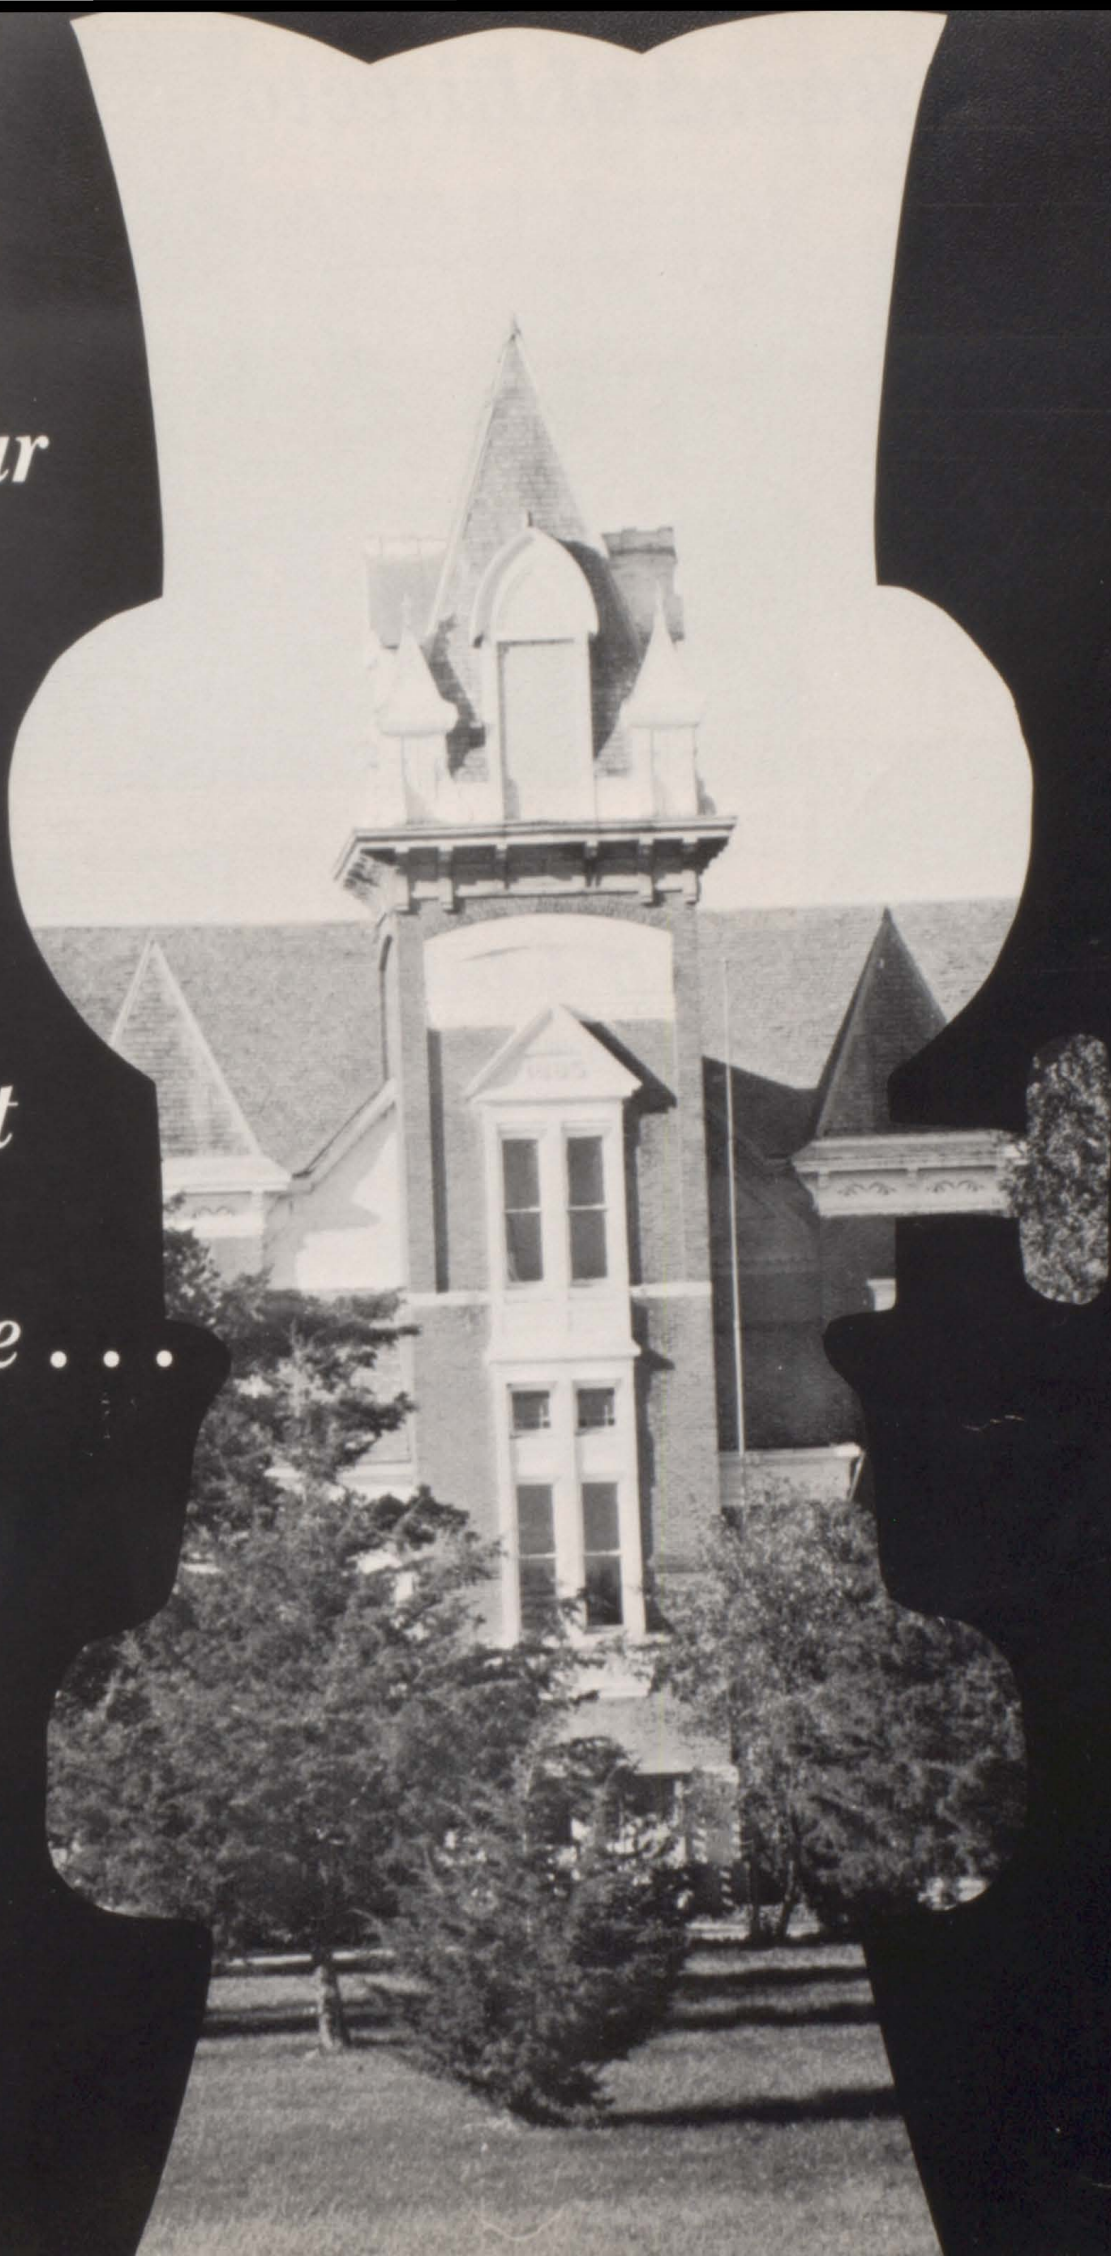

*“Let your light so shine before men,
that they may see your good works,
and glorify your Father which is
in heaven.” Matthew 5:16*

Board of Directors

Without the gentlemen on the right, Nebraska Christian would have closed its doors long ago; for the job of these men is to head the school.

The Board of Directors, which meets once a month, sets school policies. The light produced by this organization is very effective in keeping Nebraska Christian on God's path.

Advisory Council

The fifteen men on the Advisory Council also have a very important role in Nebraska Christian's success.

These men meet three times a year. During the meetings, they seek better ways to promote the school through various activities.

The members are elected at the annual Corporation Meeting, and participate on the council for three years.

Administration

Glenn Davenport
Superintendent

"Let your light so shine..."

"A newcomer spends much time assessing his situation to determine what is and what should be Nebraska Christian's stand. In the past, it has been to shine forth the light of the Gospel.

The days ahead should see this emphasis retained and continued."

Glenn E. Davenport

The real Mr. D.

Ah, well, I don't know...

"Jesus said 'I am THE LIGHT...' and gives us the wonderful privilege of reflecting that LIGHT 'before men.' The theme chosen for this edition of THE REFLECTOR is very significant in this respect. As you page through this book, may you see not only the reflection of a year of activity at Nebraska Christian High School, but also the reflection of Christ Himself, whom we have tried to put in the center of our entire program."

H. K. Sawyer

Kay Sawyer
Principal

"There's someone here to see you, Mr. Davenport."

Besides the Administrators, two very efficient secretaries play an important part in maintaining the office at N.C. Miss Wiebe and Miss Roth fill these roles and the excellent work they produce is vital in keeping N.C.'s Administration on top.

Campus Life

In the dorms, at class functions, on the athletic field, wherever NC's campus family gets together, there is that spirit of comradeship and fun. Picking potatoes or eating watermelon, studying, running or just sitting around talking in the dorm calls forth the same unity, the same eager anticipation. It's an adventure in living and when these halls empty for the summer they will certainly echo and sigh for the fun-loving creatures who will take up their abode here again in fall. Thank the Lord for friends.

The Lord greatly blessed Nebraska Christian by providing a new football field and a new coach for the 1973 football season.

Because of much prayer, labor, and donation of time and money, the new field was ready for the first home game against Silver Creek on October 5.

During the season, Coach Eben Graves taught the Eagles that "it's Christ, not winning that counts." Thus, the question "Who ya playin' for?" was yelled frequently during practices and games.

"Don't let that which you can't do keep you from doing that which you can" was the perfect motto for the "73" Volleyball team. Beginning the season with bad habits and limited knowledge of basic techniques didn't stop the success of the fourteen girls out for the rapidly growing sport. Hard work and training under Coach Liebelt brought many comments on the improved team.

Throughout the ten matches, 229 points were scored — the highest since the beginning of volleyball at Nebraska Christian. The highest number of unreturned balls, 146, was a record for a season's total. This was achieved at the last game, in which Nebraska Christian hosted the District Volleyball Tournament.

"And whatsoever ye do, do it heartily, as to the Lord, and not unto men." Colossians 3:23. This, the team's verse, kept the players in good spirits; always ready to yell, "Who are you playin' for?"

The 1973 Student Managers for volleyball were: Sandra Davenport, Cheri Sears, and Betsy Wright.

Every Tuesday through Friday, from 8:10 to 8:40, the music room was a hub of activity as the band went through drills and practiced various songs. Excitement was added to pep rallies and football games as the band performed. On March 26, thirty-eight students, along with Mr. Liebelt, attended a pre-contest at Elba. On April 19, they journeyed to Columbus, to attend the District Contest. The last performance of the season was a Spring Concert, on May 3.

Being in a small musical group is not only a profitable experience, but is an excellent opportunity for students to display the talents God has blessed them with. Mr. Sawyer and Mr. Liebelt spent much time with these groups, giving hints and preparing them for District Music Contest in Columbus April 18-20.

The Ensemble, under the direction of Mr. Sawyer, has performed for many churches and other various engagements. This mixed group, among with the other small groups, is a good example of instrumental and vocal ability in the music department at NC.

Diplomat Staff

The Diplomat, the school paper, is published every three weeks by the students of Nebraska Christian High School. This paper keeps students and friends of the school well informed of campus events.

Heading the staff this year as editor, was Tim Binder. His Assistant Editor was Bethel Marsceau. Business Manager was Fred Root with Phil Parker as Assistant Manager. Karen Vollers, with Kathy Busselman as an assistant, was Circulation Manager. Sponsor for the group was Mr. Rowe. Many other students helped with reporting, typing, and getting the paper ready for mailing to the many friends and supporters of N.C.

Top to Bottom: M. Anderson, B. Schroeder, P. Hooze, S. Davenport, C. Graber, M. Kugler, D. Brush, L. Carlson, D. Griffin, J. Bowley, C. Larsen, M. Penner, C. Lutes, M. Russel, J. Randolph, S. Starr, D. Johnson, S. Sharman, G. Garwood, M. Hill, S. Buller, D. Honeywell, E. Ignacio, D. Earnest.

Tim Binder, Fred Root, Kathy Busselman, Karen Vollers, Bethel Marsceau, Mr. Rowe, Phil Parker.

Reflector Staff

Back Row: Nancy Glynn, Editor; Rodney Glynn, Photographer; Debbie Honeywell, Photographer; Weston Barthel, Photographer; Doug Hamilton, Business Manager; Steve Ranney, Assistant Business Manager. Front row: Susanna Anthoney, Sophomore Representative; Penny Grantham, Freshman Representative; Sharon Davenport, Assistant Editor; Mrs. Graves, Sponsor.

"Commit thy way unto the Lord; trust also in him; and he shall bring it to pass." Psalm 37:5

From the very beginning, the 1974 Reflector was committed to God. All the praise, honor, and glory goes to God; for without His help and guidance this publication would not be a reality.

A special thanks goes to both Mr. Davenport and Mr. Ressel, who kept us supplied with pictures. Special recognition should also be given to the students, who donated some of their pictures.

At the head of a good yearbook is a sponsor. Much appreciation goes to Mrs. Graves; whose concern, support, and helpfulness was greatly appreciated.

Deserving much gratefulness, are Sharon, Steve, Susanna, Penny, Deb, Rod, and Wes, who worked hard on their pages and came forth with some good ideas.

Special credit goes to Miss Tibbetts, who, along with her typing class, typed copy on short notice.

Without people buying and selling Reflectors, this annual would have no need to exist. Those who exerted themselves in this area are to be commended.

Besides all this, the Reflector benefitted greatly from everyone's kindness, concern, and prayers.

Once again, thank you all so much.

Nancy and Douglas

Chapel

B. Wright, G. Garwood, Miss Vogt, Miss Wiebe, Mr. Musgrave, D. Anderson, D. Hamilton, B. Schroeder.

This year, chapel has been blessed with many inspiring speakers. Rev. Wayne Scott, from the Evangelical Free Church of Minden, was the Spiritual Emphasis Week speaker. His topics were relevant to many people's lives. He also guided many people in making decisions concerning God's will for their lives.

The Chapel Committee has worked hard to make the chapel services interesting for everyone. Chapel has been varied; with skits, student and teacher speakers, missionaries, and other special speakers.

Chapel has provided many students with insight into the part God wants to play in their lives.

Fellowship of Christian Athletes

M. Anderson, P. Parker, D. Lutes, D. Anderson, P. Luse, D. Hollesen, L. Puckett, D. Hamilton, B. Buller, K. Vollers, M. Neely, F. Root. (Others not pictured include any members of athletic boys' teams pictured elsewhere in this annual.)

Officers: D. Anderson, President
B. Buller, Vice President
B. Schroeder, Secretary
P. Luse, Treasurer

Eben Graves, Sponsor

The purpose of the Fellowship is:

"To confront athletes and coaches, and through them the youth of the nation with the challenge and adventure of following Christ in the fellowship of the Church and serving Him through our vocations."

A primary purpose of the F.C.A. is growth in fellowship. The meetings are relaxed with concentration on enjoying each other. Bibles and friends are most important during this hour. Each shares his favorite sport, his greatest athletic experience, the most important person in his life, his expectations for the coming season. Everybody is somebody special. Anyone may share exactly what he thinks and feels without being put down. Prayer groups are formed. Each prays for the other. The programs are varied and provide relaxation and inspiration for each NC athlete, with outreach through witnessing for Christ daily in word and deed.

Cycle Built For Two—Diplomat and Reflector

"Cycle Built For Two" was the theme chosen for this year's Subscription Drive, spearheaded by the staffs of the *Diplomat* and *Reflector*. The contest got off to a roaring start with a representative from each class participating in a three-wheeled drag race around the gym, which ended in a five-way tie for first place.

At the halfway point in the race of selling subscriptions, the freshman class was in the lead. As a reward, they received a party sponsored by the paper and yearbook staffs. The grand prize winner at the end of the contest was Jeanne Bowley. Seven other people received smaller prizes, and the top 30 sellers were given a party. We wish to thank the people who worked hard to make this Subscription Drive successful.

Presidential Campaign Causes Much Excitement

Doug Hamilton

The exciting campaign for student body president began during chapel on October 31, 1973. Doug Hamilton, candidate of the Ham's Honkers Party, was the first to give his campaign speech. This was immediately followed by a skit. As Bob Schroeder, candidate of the Schroeder's Voters Party, stepped to the podium to give his speech, a small band played "When The Saints Go Marching In."

Bob Schroeder

Later, as the students left chapel, they were given campaign badges. As they stepped outside they were greeted by a "Schroeder's Voters" bandwagon. The posters went up thick and fast during the rest of the day, and inspiring skits were given at lunch.

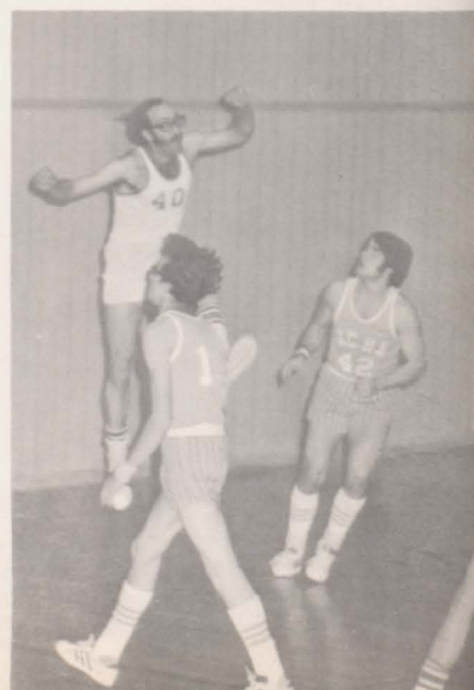

Balloting took place the next day immediately after dinner. Later that afternoon, the students were told that Doug Hamilton was their new student body president.

Alumni

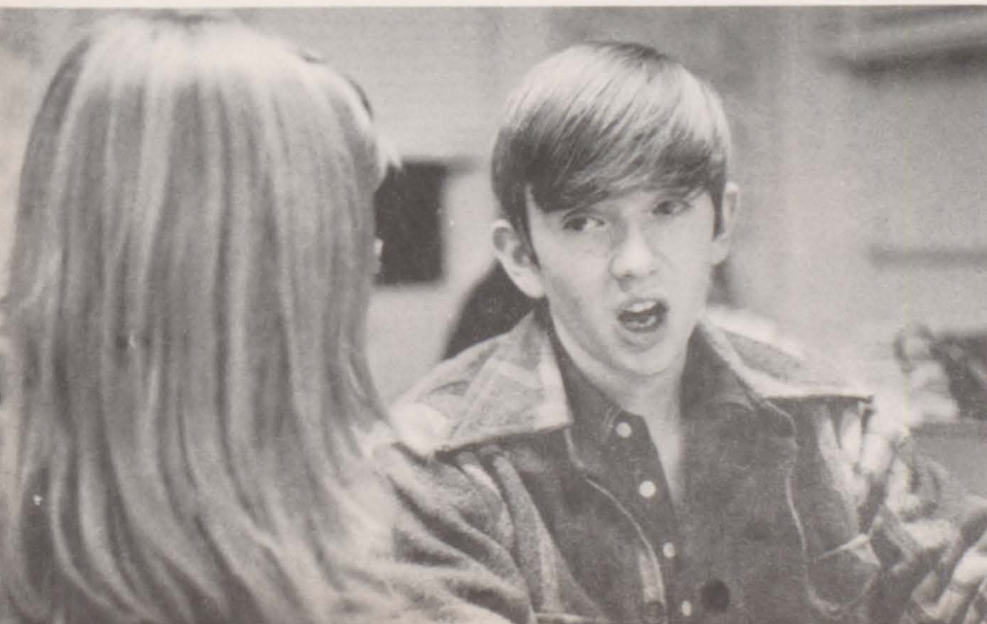

Following a delicious meal and an important business meeting, the "Bald Eagles" were ready to meet their opponents, the young Eagles. After an exciting game, the score was 41-34, in favor of the "Bald Eagles."

Junior-Senior Preparations

April 5-9, 1974

Preparation for the big event lasted five long days. This included much painting, hammering, taping, and alot of cleaning up. But the Juniors' efforts did produce an unforgettable banquet.

The Banquet

April 9, 1974

"In Christ There Is No East Or West" was the theme of the Junior-Senior Banquet held in honor of the Senior class of 1974. The banquet took place in the decorated gym of appropriate props, suiting the theme. The success of the dinner, special music by Rev. and Mrs. Bower, and Mr. Abe Penner's address helped make this annual event a highlight of the year's activities.

Cooks: Junior's Mothers Back row: Mrs. Blankenbeckler, Mrs. Glynn, Mrs. Graber. Front row: Mrs. Curry, Mrs. Miles, Mrs. Sharman, Mrs. Buller, Mrs. Mieth.

Dramatics

March 12th, brought our conference schools to Elba for a speech and dramatics contest in which N. C. won a good rating with the One Act Play, "Why, Hubert!" receiving a first. Gala Garwood won the conference "Best Actress" award for her part as Millie, Hubert's wife. Dwight Curry and Patti Peaslee would have received firsts for their dramatic readings except for a technical misunderstanding. Sandra Sharman also took a first in Informative Public Address with a speech on "Parasites in Horses."

At the district contest in Kearney on March 19th, Dwight held his own in his reading of the "Tell-Tale Heart." He was picked by the judges to go on to the first Nebraska state tourney at Kearney on the 29th of March. Dave Anderson and Bob Schroeder were picked as winners with the duet act entitled, "A Pair of Lunatics" and Sandra was also chosen to take her speech on to state.

The state meet consisted of over forty schools from all over Nebraska. On this wind-swept Friday over 600 young people and coaches congregated on the Kearney campus. Each participant gave his presentation twice during the day. Only 36 were destined to go on to finals. The judges were college and university professors from many parts of the state. Dave and Bob received two ratings for firsts in the morning round with their "... Lunatics." Afternoon results showed N. C. would not make finals but our ratings as compared to many other schools showed a consistant performance. Anyway, those Baskin-Robbins ice cream cones surely tasted good as they stopped in Grand Island for refreshment after a hot and harried day.

ROWSE "DOUBLE 9" MOWERS

This is the mowing outfit that is finding favor with farmers and ranchers alike, featuring two I. H. C. mowers with 9-ft. bars mounted on one tractor. Both mowers are the pitmanless balanced head type for smooth, fast operation.

Rear mower is driven by a drive shaft through 2 right angle gear boxes. Each mower bar is raised and lowered individually from hydraulic system of tractor.

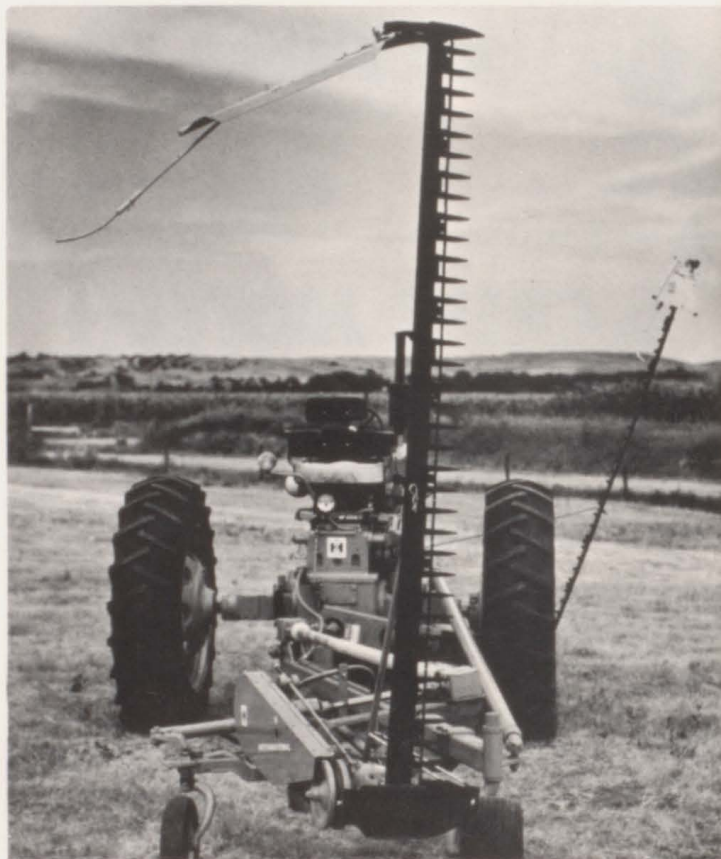

Mower in operating position.

TRANSPORTATION IS NO PROBLEM

It takes only seconds to change this trail mower from mowing position to transport position. To transport the mower, simply release the ball hitch on the front end of the tractor and hook to the ball mounted on the rear axle of the tractor, thus letting the mower trail directly behind the tractor. The two wheels on the trail mower are caster wheels and automatically assume the direction the mower is being pulled.

(This Mowing Outfit can also be furnished with two 7 ft. bars instead of the two 9 ft.)

Ready to be moved anywhere.

● This rake is very flexible and merely floats over the ground, as the rake is carried by 5 wheels which are so arranged that uneven ground has little effect on the rake. This also protects the rake teeth from breakage.

● Another feature that protects the teeth is springs on the holddown, which absorb much of the shock and strain on the teeth.

● One double-acting hydraulic cylinder easily operates the rake.

● This is the rake that has made all other rakes obsolete, and has found favor with farmers and ranchers alike.

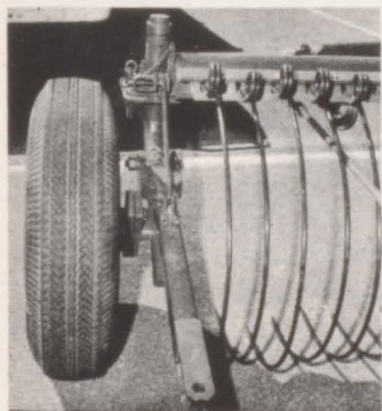

Rake, in operating position.

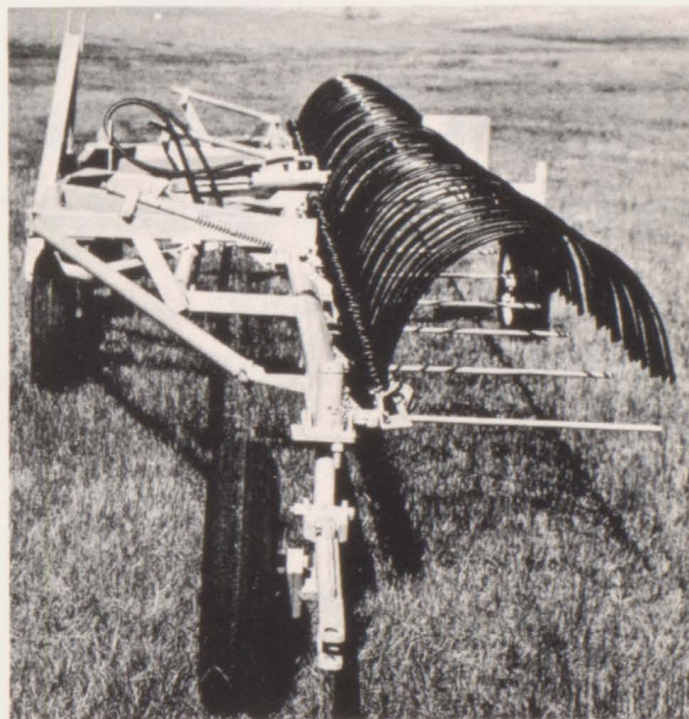

TRANSPORTATION — NO PROBLEM

It takes only seconds to change this rake from operating position to transport position. To transport the rake, the tractor is disengaged from the main tongue, which is then lifted to an upwardly position. The tractor is then engaged to a short tongue which is assembled to one of the end wheels. This wheel is locked in position by means of a pin when the rake is in operating position. (See picture at left.) The opposite end

wheel locks in two positions, one for raking, the other for transportation. The center wheels are caster wheels, and automatically assume the position the rake is being pulled. The rake is only about 8 ft. wide when being transported, and can be pulled by car or pick-up at least 50 miles per hour.

Simple Mechanism changes to transportation position.

Ready to be moved anywhere.

The 1973-1974 school year was composed of various activities. In every situation, dedication was required to the activity as well as to Christ.

The Reflector Staff has tried to effectively capture and display God's glory, as it was radiated through His vessels At Nebraska Christian High School.

"Let thy work appear unto thy servants, and thy glory unto their children. And let the beauty of the Lord our God be upon us: and establish thou the work of our hands upon us; yea, the work of our hands establish thou it." Psalm 90:16, 17

*"The heavens declare the glory of God; and the
firmament sheweth his handiwork."*

Psalm 19:1
